

Danube Delta

Bike + cruise | Europe's last natural paradise

Info

This cycling trip by "hotel boat" leads you through the stunning beauty of Europe's last natural paradise Danube Delta to kilometer "0", where the mighty Danube River ends into the Black Sea. The tour takes you through Romania's Delta, the second largest and best preserved of Europe's deltas. You will travel along canals with floating reed islands, lagoons and lakes. The landscape alternates between gently rolling hills, swamp and prairie land and amazes everyone with its diversity and beauty. Life in small fishing villages is tranquil, the solitude and silence of the almost impenetrable thicket many times interrupted only by the calls of Dalmatian Pelicans, Cormorants and Egrets. Under expert guidance you will discover the fauna and flora of this landscape, which is also rich in history. Enjoy Romanian hospitality and cuisine on board of your floating hotel and in the cosy guesthouse.

General information

You are accommodated on a modern floating Hotel and in a familyrun, comfortable 4* guesthouse. The meals are traditional with fish, meat and vegetables, for lunch picnics or lunch packs will be offered. You cycle in groups of 12-20 people. Therefore it is necessary to have some experience in bike tours.
