Itinerary

Day 1: Passau

Individual arrival. Use the remaining time for a city tour or go for a walk through the picturesque old part of the “City of Three Rivers”. Between 4 pm and 7 pm you take over your bikes – for late arrivals in the next morning.

Day 2: Passau – Eferdinger Becken, approx. 54 km + ship ride Passau - Kasten

Starting in Passau, the Danube flows through the densely forested slopes of the narrow valley in the “Bavarian Forest” until it reaches the gorgeous Danube Loop in Schlögen. Here we recommend a walk up to the famous „Schlögener Blick“. From there you have a fantastic view over this fascinating region. By bike you will continue to Aschach/Feldkirchen.

Day 3: Eferdinger Becken – Mitterkirchen/surroundings, approx. 53 km + train ride Linz - Enns

Today’s bike-leg guides you to the Upper-Austrian capital city of Linz, featured with its cultural and numerous attractions. After a brief walking tour of the charming old-town square, you will head for the train station. There you will catch a train to the town of Enns (the oldest town in Austria). On the way, many impressive farms and buildings (square-yarded farmhouses which are typical for this region) will be passed on your way.

Day 4: Mitterkirchen/surroundings – Strudengau, approx. 45 km

Today you will bike through an extremely fascinating landscape. In this region, the narrow passages of the Danube (seen as a vortex) have been frightening captains and sailors since the ancient times. Grein, the quaint little romantic town with its castle and the oldest theatre in Austria, is certainly worth a visit.

Day 5: Strudengau – Wachau, approx. 40 km

This day you will reach the Wachau region. A very old winegrowing culture awaits you here. The terraced vineyards grown on the steep southern slopes of “Heaven’s Stairs” along the Danube, make this region unique in its landscape and beauty. Don’t miss a wine tasting at one of the numerous wine-taverns where you can sample the mouth-watering wines of this region. Once at the ruins of Aggstein, you can enjoy a wonderful view over the jewels of the Wachau (Spitz, Weissenkirchen and Dürnstein).
